ADD A GAMES GURU TO YOUR BOOKING FOR £5 PER PERSON*

Bounce Games Gurus are hand-picked comedians, actors & former professionals of the game, who will host the Ping Pong portion of your event and ensure your guests are organised, entertained and awarded. You can relax knowing every guest gets involved and enjoys the event, regardless of ability.

Games Gurus will select either a Sports Day or Tournament style booking, depending on your group size and level of competitive spirit.

Each event includes a 5-10 minutes intro, games session and an awards ceremony on closing.

BOUNCE SPORTS DAY

An outstanding selection of games with an energetic twist on the traditional singles or doubles. Great for those looking to add some variety to their Ping Pong menu and in some cases even allows for 20+ people all playing at the same time!

TOURNAMENT BOOKING

Perfect for events with a bit more of a competitive edge, playing with the same rules as the Olympians (but with a *liiiiittle* bit more flex). Each pair will play at least two games each, leading to a grand final to decide the top team.
